ICOMOS ANNUAL LECTURE
Annual Lecture of ICOMOS (Cyprus Section)
Organized after every General Assembly:

**« List and preliminary evaluation of the religious buildings of Cyprus
built before 1974. »**

This research was done in collaboration of the Cyprus Engineers and Architects Association (CCEAA) and the Chamber of the Turkish Cypriot Architects

With the collaboration of 36 architects under a bi-communal project sponsored by USAID and UNDP and supported by UNOPS

Speakers:

Mrs. Vera Efthmiou Parlalidou
Architect
Project manager and coordinator
President of the Architects Association of CCEAA

(Cyprus Civil Engineers and Architects Association)

Mr. Zihni Turkan
Architect
Coordinator

General Secretary of KTMMOB

The lecture will take place on **Friday 11.2.2011 at 19.00hrs** following the ICOMOS Cyprus Section General Assembly at the Contemporary Social and Cultural Services Municipal Centre (above Famagusta gate) at Nikiforos Fokas 40 str. , in the walled city of Nicosia.

The research is published at the website www.cyprustemples.com
